A. The problems of driving

B. The island capital

C. Eating out in America

D. Traffic in the city

E. Business centre

F. Cultural capital

20. Everyone knows something about New York - the Statue of Liberty, the skyscrapers, the beautiful shops on Fifth Avenue, and many theatres of Broadway. This is America's cultural capital, and her biggest city, with a population of nearly eight million. In summer it is hot and in winter it can be very cold, but there are hundreds of things to do and see all the year round.

21. There are five parts in New York: Brooklyn, the Bronx, Manhattan, Queens and Richmond. Only one of them, the Bronx, is not on an island. Manhattan, the smallest

island in New York is the real centre of the city. When people say 'New York City' they usually mean Manhattan. Most of the interesting shops, buildings and museums are here, and Manhattan is the scene of New York's busy night life.

22. Wall Street in Manhattan is the financial heart of the USA and the most important banking centre in the world. It is a street of skyscrapers. Five million people work here every day.

23. Like every big city, New York has its own traffic system. Traffic jams can be terrible, and it's usually quickest to go by subway. It goes to almost every corner of Manhattan. But be careful at night, it's better not to go by subway. There are more than 30000 taxis in New York. They are easy to see, because they are bright yellow.

24. If you really have to drive in New York, remember that nearly all the east- west streets and most of the north-south streets are one way only. This can be difficult for the visitor who doesn't know his way. Try to get a map that shows the directions of the traffic, and good luck!

Write your answer in 100-120 words.**

Hello!

Thanks for your letter. I was really pleased to hear from you.

Now April is coming and I'm looking forward to Easter holiday. I like all Easter preparations and presents – chocolate eggs and rabbits are my favorite.

Each nation has numerous festivals. I would be happy if you share with me more about celebrations in your country. What festival is the most popular in Russia? What traditions do you have for this holiday? Does it have any specifics in food and in gifts? Do you like it and why?

Write back soon.

Regards,
Joe.
